A rectangular panel with a light beige, textured surface, possibly a wall or ceiling material. The texture is slightly grainy and uneven.

73011-1

A rectangular panel with a light tan, textured surface. The texture is similar to the first panel but with a slightly darker hue.

73011-2

A rectangular panel with a grey, textured surface. The texture is consistent with the other panels, showing a fine, irregular grain.

73011-3

A rectangular panel with a medium brown, textured surface. The texture is consistent with the other panels, showing a fine, irregular grain.

73011-4

A rectangular panel with a dark brown, textured surface. The texture is consistent with the other panels, showing a fine, irregular grain.
