ABOUT RAVENA

Comfort and aesthetics in living spaces

RAVENA, by the international investment company BARAKAT GROUP was established in Bandırma in 2016.

RAVENA aims to reach customers with different tastes with its innovative, modern and decorative wallpaper production with its design-oriented approach as well as its understanding of producing high quality and safe wallpaper at international standards.

All collections are created with a mystical spirit and aura by carefully transferring the squares and colors reflected to life by the RAVENA Design Team.
